SCHEDULE B

to

City of Prince George Storm Sewer Bylaw No. 2656 cont'd.

2. INSTALLATION

Upon receipt of the connection fee, the Engineer will, within ninety days, weather permitting, provide and install a service connection to the applicant's property. If such connection is not practicable, the Engineer will so notify the applicant within sixty days and the City shall refund charges or fees paid to the City by the applicant.

OFF-SEASON CONSTRUCTION (WINTER SURCHARGE)

All applicants for service connections that apply between October 1st and April 15th shall pay the actual cost of the construction. The applicant will be required to authorize, by signature, a third party billing arrangement agreeing to pay all costs incurred during the installation of the connection. They must deposit with the City security equalling the estimated cost of doing the work. Charges may include costs for replacement of cold mix asphalt and hot mix asphalt in the Spring and costs relating to thawing or excavating frozen ground. The final account reconciliation will be made after all work is complete in the Spring and the City will advise the applicant of any refund or extra cost at that time.
